

E. David Crawford

Surgery, Urology, and Radiation Oncology

University of Colorado, Denver, CO, USA

E. David Crawford is an internationally renowned urologist and is the distinguished endowed Professor of Surgery, Urology, and Radiation Oncology, and Head of the Section of Urologic Oncology at the University of Colorado Anschutz Medical Campus in Aurora, Colorado. Dr. Crawford received his medical degree from the University of Cincinnati. His postgraduate training included an internship and residency in urology at the Good Samaritan Hospital in Cincinnati. He subsequently completed a genitourinary cancer fellowship at the University of California Medical Center in Los Angeles.

Dr. Crawford is an internationally-recognized expert in benign prostate hypertrophy, urologic cancers, and in particular, prostate cancer. He has conducted research in the treatment of advanced bladder cancer, metastatic adenocarcinoma of the prostate, hormone refractory prostate cancer, and other areas of urological infections and malignancies. He has authored or coauthored over 616 scientific articles, has published seven textbooks and authored over 50 book chapters. Dr Crawford is also an editorial reviewer or consultant for many publications, including *Urology*, *Journal of Urology*, *The New England Journal of Medicine*, *Cancer*, *JAMA* and the *Journal of Clinical Oncology*.

Dr. Crawford is an active member of many national and international organizations, including the American Society of Clinical Oncology (ASCO), American Urological Association (AUA), and the American Association for the Advancement of Science (AAAS). He is also the Founder and Chairman of the Prostate Conditions Education Council which is responsible for screening nearly four million men for prostate health issues and reaches more than 200 million people each year with education and awareness information. Dr. Crawford has received many honors and awards, including the CaP Cure Annual Award for Scientific Presentation and has twice been presented with a "Freddie Award" at the AMA International Health and Medical Film Competition for best medical documentaries. He has been recognized as one of the Best Doctors of America for the past two decades, and is recognized as one of the top 20 urologists in the country, for men, by Men's Health Magazine.
